and Learning in the
Digital age

Who are we??

Konnected transcends traditional networking, offering a unique blend of connections and growth opportunities.

Get best of both worlds at 1 platform

What is KonnectED ?

Connection + Education = KonnectED

Tech Stack

FLASK (Python)

Simple, flexible, robust, scalable web development.

MONGO DB

Employed MongoDB, a NoSQL database, for scalable, high-performance storage and management of project data.

HTML & JS

Used HTML and JavaScript to craft dynamic, interactive web pages for an enriched user experience.

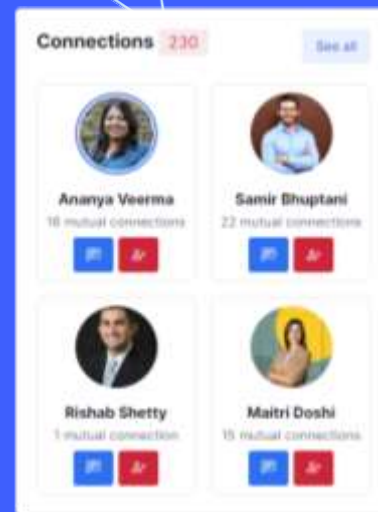

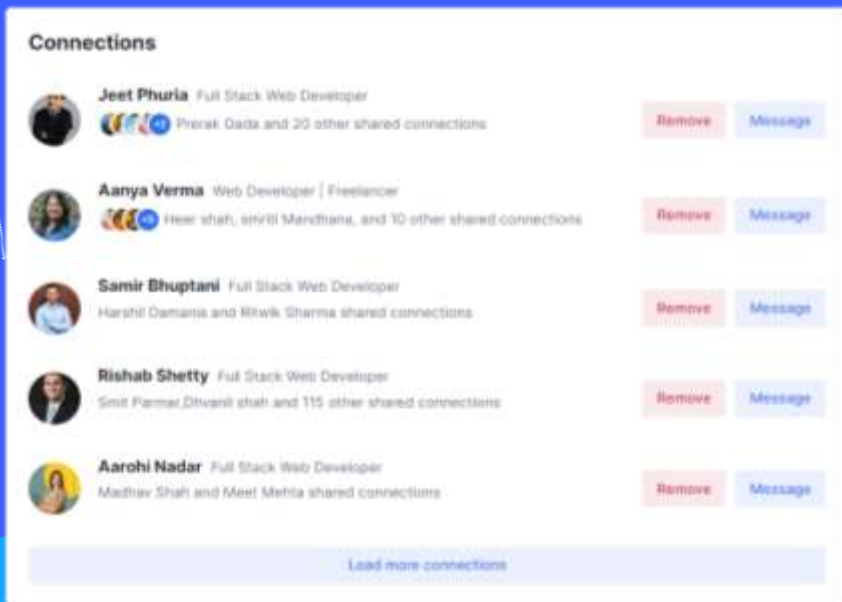

BOOTSTRAP CSS

Used Bootstrap CSS for consistent, modern, and responsive web design, streamlining development.

Build Connections

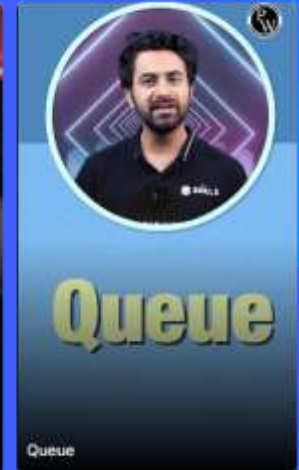

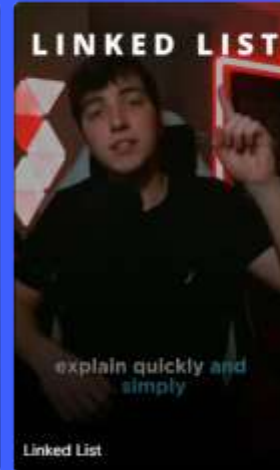

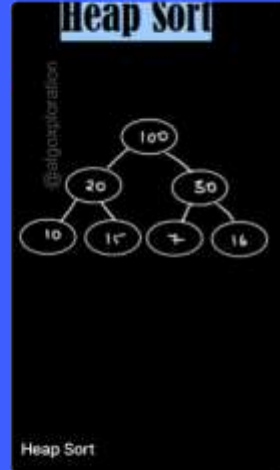

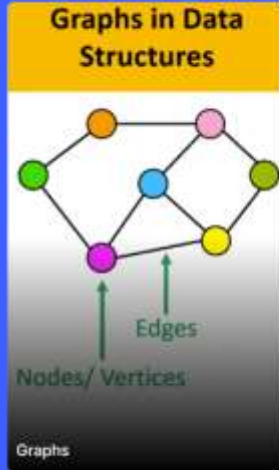

Unlocking Opportunities

Micro Learning

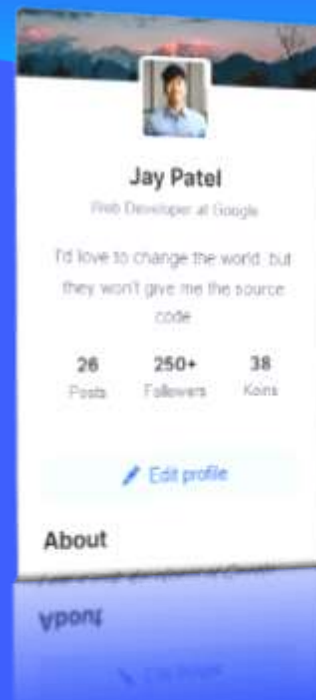

- Bite-sized Content
- Focus on Specific Topics
- Accessibility
- Personalization

Platform Overview

- Konnected transcends traditional networking, offering a unique blend of connections and learning opportunities.

- Bite-sized educational content tailored to individual needs, making learning fast and enjoyable.

what is micro learning

17 Mar, 2:00 pm

Greetings! I am KonnectED, your virtual assistant for education and social networking. How can I assist you in your learning journey today? As for your query about micro-learning, it is a modern approach to education that focuses on delivering bite-sized learning modules. These modules typically range from 5 to 15 minutes in length and are designed to provide learners with specific knowledge or skills in a short amount of time.
